Principal's Board Report, 30 May

The Principal position for Morley Primary School still has not been decided and the recruitment process is under way and we shall know the outcome by the end of this term.

The school Annual Report for 2017 is now on the website.

Activities that have happened since our last Board Meeting include:

- Morley PS is hosting three ATP final year teaching students this term , an EdAssistant Cert IV student and we have secured a Master of Social Work field placement student who will commence in Week 8 for 13 weeks.
- Our school chaplain, Mrs Shelby O'Reilly has left ahead of anticipated time and we shall have a replacement chaplain commencing Friday June 1 for the remainder of term on Fridays only. A recruitment process is under way for a new chaplain to work 2 days per week commencing next term, there will possibly be an interview through Youthcare and myself this Friday.
- Online NAPLAN testing has finished for students in Years 3 & 5 – online except for Year 3 writing. All went well but would recommend that our laptops are upgraded.
- Class DOJO has been implemented across the entire school for parent/school communication. Almost 90% of school population is connected and view regularly.
- Canteen has been re-opened on Mondays using volunteers.
- A new uniform shop co-coordinator has volunteered to open the shop on Monday mornings.

Incursions/Excursions

- Year 1 Peninsula Farm today
- Recycling incursions for all years PP-6 (2 lessons)
- Red Cross – Refugee Week – Yr 6
- STEM Excursion – Morley HS – Yr 5

Future activities include:

- Interschool sporting fixtures for netball and football each Friday for the remainder of the term.
- Biggest Morning Tea – Student Councillor Fundraising after Ramadan
- 98.5 to run their morning programme from the school and provide free coffee/tea on Jun 1.
- Fund raising Quiz Night to be held on Jun 23 – venue to be confirmed
- Recycling Incursions for classes in PP-6 .
- Incursion from the Red Cross to further knowledge about the plight of refugees.
- We shall be having three trees removed from our school oval over the coming weeks. This is due to white ant damage and root problems, two trees to be removed tomorrow and the date for other one is still to be confirmed.
- Update of School Board profile on website, DOJO and around the school planned. A short “blurb” from all members is required.
- Peter Helfgott, Music teacher is proposing to form a school band, jam sessions on Wed lunchtimes
